

Run 4 the Frontline, Run with Maud

Organizations to choose from

Northeastern PA

Friends of the Poor

Mission: to bring together in friendship those who have the desire to give with those who are in need of assistance to enhance the quality of life for all. FotP provides basic need and supports a wide range of people.

Meals for Medics

GCSOM 3rd year students are working to provide hospital staff with meals to show support to those on the Frontline facing this pandemic. Meals are purchased from local restaurants to help stimulate the economy so it is a win-win for the NEPA community.

NEPA COVID Response Fund

The Scranton Area Community Foundation has started a fund to deploy resources to organizations that are at the front lines of the coronavirus outbreak in our region.

PPE 2 NEPA

2nd year GCSOM students have started an initiative to get necessary personal protective equipment to healthcare providers.

National Funds and Organizations

Frontline Foods

Partnered with the World Central Kitchen, donations go to support restaurants and provide for those on the Frontline.

No Kid Hungry

With school closure, more kids than ever are in need of meals, so this fund serves to help provide food for kids across our country. The team also works with lawmakers to support low-income families through stimulus packages in addition to the direct action of feeding our nation's kids.

Meals on Wheels

Focusing on the seniors in communities, Meals on Wheels is designed to meet nutritional and social needs. Senior are among those at greatest risk, so Meals on Wheels works to ensure safety of seniors while still getting them needed food.

National Support

Domestic Violence Hotline

Not everyone is fortunate enough to be at home with people they are safe with. Incidences of domestic violence have been on the rise during quarantine, and the National Hotline continues to do everything they can to support victims and help them to safety.

Crisis Text Line

This help line offers support for all kinds of crises. In response to COVID, they have started For the Frontlines to ensure that healthcare providers and others who are still working can get the support they need. CTL is a free service for everyone, and runs off of volunteers.

Grassroot Movements

Emergent Fund COVID Response: The People's Bailout

Provides grants to grassroot organizations to help meet the needs of the community. During this time where communities of color have been hit the hardest, these grants will go to organizations that (1) are mobilizing to respond to the impact of COVID-19 on vulnerable communities; (2) are utilizing power-building strategies including but not limited to digital organizing, membership development and outreach, narrative development, direct action; and (3) are led by communities of color.
